As an AAFSW member in good standing, I wish to sponsor the following person as a candidate for AAFSW ASSOCIATE MEMBERSHIP. I have explained the benefits and limitations of this membership to the nominee.

I understand that Associate Members are eligible to attend and bring guests to AAFSW programs following the current registration procedures and receive the Global Link newsletter. They are welcome to volunteer their time and talents for undertakings by AAFSW, however, neither they nor their offspring are eligible for AAFSW sponsored scholarships. Their one-year membership and my sponsorship must be renewed annually in August, along with other regular membership renewals.
