

Join us for our virtual Around the World 5k. Anyone can join us. Simply sign up on the Facebook page, run a 5k anywhere and anytime in April, and then share a picture with our group.

This year we have over 60 participating cities. Run alone, with a four-legged friend, or put together a team.

Post a picture to be eligible for our prize drawing.

Find us on Facebook at Around the World 5k.
